### Code

California Building Code (CBC)  
California Code of Regulations (CCR)  
Cal/OSHA Code  
ASTM C1048/ ANSI Z97.1

### Colors & Finishes

- Oak, Walnut and more
- Calacatta, Arctic Ice White, Antique Gray and more

### Glass Railing

Structurally-integrated glass infill  
12mm clear tempered glass

### Tread Types

Hard wood/Sintered stone  
(Full/Half cover)

| Flight Stack             | Spec.        |
|--------------------------|--------------|
| Staircase steps          | 14 pcs       |
| Treads                   | 14 pcs       |
| Landing platform         | 1 pcs        |
| Glass Railing & Handrail | 18 ft        |
| Installation             | Included     |
| Total                    | As low as \$ |

## Cantilever Floating Staircase

Structure: Cantilever steel stringer  
Structure materials: Steel ASTM A36  
Steel Coating: Epoxy  
Tread LED: Dimmable  
Invisible glass railing  
Wood top rail

### Code

California Building Code (CBC)  
California Code of Regulations (CCR)  
Cal/OSHA Code  
ASTM C1048/ ANSI Z97.1

### Tread Types

Hard wood/Sintered stone

### Glass Railing

Structurally-integrated glass infill  
12mm clear tempered glass

### Colors & Finishes

- Oak, Walnut and more
- Calacatta, Arctic Ice White, Antique Gray and more

| Cantilever Floating      | Spec.        |
|--------------------------|--------------|
| Staircase steps          | 16 pcs       |
| Treads                   | 16 pcs       |
| Landing platform         | 1 pcs        |
| Glass Railing & Handrail | 20 ft        |
| Installation             | Included     |
| Total                    | As low as \$ |
